STUDENT CAREER PORTAL - FUNCTIONAL DOCUMENTATION

1. Introduction

The Student Career Portal is a structured digital platform designed to guide students through career discovery and decision-making.

2. Objective

Reduce confusion, provide data-driven insights, enable mentorship, and track progress.

3. Core Modules

My Journey, Aptitude Center, Resource Library, Meeting Schedule, Action Plans, Report Vault, Progress Tracker, Mock Interview.

4. My Journey

Tracks student progress across stages like Test, Interview, Case Studies, and Internship.

5. Aptitude Center

Conducts assessments to evaluate skills, personality, and interests.

6. Resource Library

Provides PDFs, videos, and study materials.

7. Meeting Schedule

Allows booking counseling sessions with calendar-based slots.

8. Action Plans

Provides structured weekly/monthly tasks for students.

9. Report Vault

Stores all reports like test results, interview feedback, and case studies.

10. Mock Interview

Provides feedback to improve interview readiness.

11. System Flow

Login → Dashboard → Modules → Progress → Reports → Career Clarity
